

Disability Foundation

Rent Your Home in 2010

Great Revenue, Great Cause!

Here's a chance to make your home available to employees of highly reputable organizations and corporations working in the Metro Vancouver region at the time of the 2010 Olympics and Paralympics – not the general public – and earn a fantastic return! It is also a chance for you to say you heard about this opportunity through the Disability Foundation and help us build stronger programs for people with physical disabilities.

By visiting www.vanlodging.ca, you can apply to have your home considered for accommodation and **earn from \$2,100 to over \$12,000 PER BED** during January, February and March 2010 (rental periods range from 28 to 83 days).

When you visit the website, www.vanlodging.ca, you will need to indicate that you heard about this opportunity through the Disability Foundation. To do so, **on Question #24(a), please type in "Disability Foundation."**

The sooner you apply, the better your chance of securing an accommodation contract before all the spaces are filled.

Thank you,

Duane Geddes
Executive Director,
Disability Foundation
